Support at home

Chanting is a key way to learn times tables. You can also find various songs and rhymes online many of which have used modern songs to make them even catchier!

TT Rockstars is a fabulous resource that can be utilised at home as each child has their own log in. I can also monitor this at school and track which times tables facts each individual child needs to work on.

144 Club is available to all KS2 children on a Tuesday lunch time – this really tests the children's speed of recall. Can they answer all 144 questions in 6 minutes?
